

Cutlerville Chamber of Commerce

JUNE 2008

MEMBERSHIP LUNCHEON - FRIDAY, JUNE 27, 2008 - NOON

Join the Cutlerville Chamber of Commerce in welcoming Senator Mark Jansen, Representative Glenn Steil, Jr., and Representative Kevin Green as speakers for our June membership luncheon.

Each of these legislators will be giving a short update on the happenings in our state government and taking part in a Q&A time with our membership.

Senator Jansen is a Gaines Twp resident who has served as Gaines Twp Clerk, as director of special initiatives for Habitat for Humanity, as Kent Co. Road Commissioner, and has represented the 28th Senate District since 2006.

Representative Steil is also a Grand Rapids native. He has served in the House of Representatives since 2002 and is currently sitting on House Committees on Tax Policy, Education, and Regulatory Reform.

Representative Green resides in Wyoming and has been representing Byron and Wyoming in the House since 2004. He has been active on a number of committees, the chamber, and is currently serving on Kent County's Energy to Waste Board.

Also recognized at the June meeting will be our three scholarship recipients for 2008.

CONGRATULATIONS AMERIKAM!

Grand Rapids, MI – Stephanie Leonardos, President & CEO of AMERIKAM, has announced that the Wyoming-Kentwood Area Chamber of Commerce has recognized the company as Outstanding Manufacturing Company of the Year for 2007. The Award was presented to AMERIKAM at the Chamber's Annual Meeting in January, 2008.

Through the past 70 years, some of AMERIKAM's parts have gone to the moon, made life easier for the handicapped, and have recently helped soldiers on life support in Iraq. AMERIKAM's process technology and research and development have become recognized as a strong extension of its customers' own product development. AMERIKAM recently entered into a licensing agreement for its patented ceramic flow technology in an environmentally conscious hydrant design for water conservation. AMERIKAM's capabilities include product development from concept to manufacturing the final products, which requires a strong, creative

workforce. Today, AMERIKAM's 70 multicultural employees represent the United States, Africa, Bosnia, Cuba, Mexico and Viet Nam.

AMERIKAM, with over 70 years in business, has built a strong reputation as a company that gives freely of itself to this community. AMERIKAM actively supports the Wyoming Kentwood Chamber of Commerce through its participation in the Annual Business 'n Books Day and the Elementary Speech Contest and believes that supporting programs such as these assists the Chamber in its outreach to enrich the community.

AMERIKAM's commitment to education and training is highlighted by the 30 years in which it has partnered regularly with Ferris State University and Kendall College of Art and Design with students of design and engineering technology. Ms. Leonardos, who serves on Ferris State University's Commission for the Future, stated,

"The collaboration between business and industry and the educational community is key to preparing a job ready workforce for Michigan. We see that as our duty and these programs have our full commitment."

Additional sponsoring activities include the Grand Rapids Symphony, the Juvenile Diabetes Research Foundation, and the Brian Diemer Amerikam 5k Race, benefiting local charities. The company is also the proud sponsor of the City of Wyoming Safe City program reaching over 100 children each summer supporting the learning of safety skills necessary in the home environment.

AMERIKAM, located at 1337 Judd Avenue SW, Wyoming MI, designs, develops and manufactures products for flow control, defense and medical industries. Visit AMERIKAM on the web at www.amerikam.com.
