OLD SETTLERS PICNIC

The Byron Area Historic Museum in collaboration with area Historic Societies will once again host the 'Old Settlers Picnic' on Saturday, July 26, 2008, at the Pavilion in Douglas Walker Park. This year we hope to have a light lunch and entertainment following the Byron Festival Days Parade activities in Byron Center.

In an event modeled after the original Old Settlers Association as it existed over a hundred years ago in Kent County we hope to create a place of remembrance and fun out of the sun for our seniors and their families.

If you have any interest in participating in any capacity please call 878-0888.

STREETSCAPE - VISION FOR DIVISION

As you drive or walk through Cutlerville on Division Street, take time to notice the new banners featuring the John Isaac Cutler House. The picture on the banners is the same artwork used for the Cat's Meow Keepsake and is a reminder of Cutlerville's founding family. The Cutler house is a designated state historic landmark that was built in 1891 and later became the first hospital building for Pine Rest in the mid-1900's.
