Tom Stehouwer Auto Sales – 20 YRS

The guiding principle at Tom Stehouwers is “to be the best automotive retail organization in West Michigan”. Tom started his career in 1967 at a local dealership in Grand Rapids. Quickly he became the used car manager, then general sales manager, and then general manager. On April 15, his dream finally came true and Tom Stehouwer Auto Sales became a reality. It took every cash asset Tom and his wife, Mary, had but they say “it was well worth it”. More recent years have brought changes too... Stehouwer now has a Kymco motor scooter franchise. Also added is a service center, and with these two new departments, Stehouwer offers full auto service to their loyal costumers. Stop in... See for

CCC Thanks!

Whew... the weather is finally heating up. So are things at the Cutlerville Chamber of Commerce! We are in full swing with Cutlerville Days later this week. The Chamber has worked hard to open up many opportunities through Cutlerville Community Days for you to become involved. There are ways to personally spend time giving back to your community; there have also been multiple opportunities to market and bring awareness about your business to your community. This all day festival has roots dating back almost 100 years. In all those years, the local businesses and the community are continuing to come together to make this day something really special! This year we also have several area non-profit groups that will be part of this special day as well as Firework sponsor businesses on hand to share with you about their businesses. Sign up at Holiday Inn Express & Suites to win a nights stay complete with indoor water park tickets. You many want to stop in at Natural Choice Chiropractic & Massage for a free massage, talk about taking time out :0). Make plans now to attend and check out our website for a complete listing of events and sponsors www.cutlervillechamber.org. You don't want to miss it.

The Cutlerville Chamber of Commerce changed to a fiscal year of September 1 through August 31. Due to this change, you will be receiving postcards to vote for new board members in August. *If you are interested or know of someone who would be a good nomination for our Board of Directors*, please contact our office or a Board Member at your earliest convenience. Board Member listing is on our web page with contact numbers. The office phone is 890-1378!

Looking for something a little different at this year's Cutlerville Community Days... you'll find it!

This year we are expecting over 100 cars to be in the 3rd Annual Classic and Custom Car Show. The cars will stretch from the Cutlerville Christian School parking lot all the way back into the Cutler Park parking area. Also, the rides and inflatables are available from 10 am – 10 pm this year. We have added a chicken dinner from 5 – 8 pm. Chicken will be cooking outside all day, get your tickets early at Cutlerville Christian School. We have added more “free kids in the park” games. The penny hunt and the water balloon toss are back, but we have added tic tac toe (brought to you by Boardwalk Subs) and there will be a fishing simulator and casting competition (brought to you by Sportspersons International Ministries). One more thing... the ponies are back! Last year so many of you missed them, they are back for 2005 under the trees.
