Welcome New Board Members!

"My name is **Jamie Liby** and I have been working in the Cutlerville area for 2 1/2 years, with Flagstar Bank. I have been involved in the Chamber for just as long. I joined for business purposes originally, but have truly come to enjoy the community and being actively involved in what the community has to offer. Since becoming a member I have been involved in the Leads Group, Cutlerville Days, and I sponsored an event in Dutton attempting to bring new members on board. This has been a wonderful experience for me and I look forward to the next year."

Mike Brock lives in Cutlerville, near 72nd and Eastern. He is married to Lisa, for 29 years, and has a daughter, Maggie, who attends Byron Center Schools. Mike is an independent insurance agent who specializes in serving individuals and families with their health insurance needs. Mike is on the Chambers' Cutlerville Days Committee where he serves as volunteer coordinator. Contact him if you want to help with this event in 2008!

GOLF OUTING A BIT SOGGY, BUT STILL A SUCCESS!

12 teams participated in the 3rd Annual Cutlerville Chamber of Commerce Golf Outing on September 7 at Crystal Springs Country Club. It was a fun day despite a late morning shower that dampened the course, but not the spirit of the participants! Thanks to Robin Halsted, Jeff Halsted and Kathy Buist who helped the entire day of the event. Thanks, also, to the golf committee (Scott Halquist, Chris Tallarico, Barb Richardson, Janice Gordon, Bob Stroo, Deb Barnhart and Louise) and Crystal Springs for a successful event!

Congratulations - 1st Place Team (-16)
